

PRE-LICENSING PROVIDER LIST

WAC 284-17-510 requires each applicant for a resident's license as a life, disability, property, or casualty insurance agent or solicitor, to complete 16 hours of instruction per line of insurance as a prerequisite for admission to the examination. Additionally, four hours of instruction relating to Washington's general statutes and regulations governing the sale of insurance is required.

Pre-Licensing education courses are available from a variety of sources, which include community college, independent providers, and in some cases, one's own sponsoring insurer.

Any person who believes that a pre-license education course is unavailable to her or him may file a written petition with the commissioner for permission to undertake self-study. Permission will be granted based on the course availability by an independent pre-license provider located within the State of Washington.

Questions regarding pre-licensing should be addressed to Sue Davidson at POB 40257, Olympia, WA 98504-0257, via e-mail at sued@oic.wa.gov or by phone at (360) 725-7146.

Attached is a list of facilities offering pre-license education. This listing is current as of November 28, 2005.

Be sure you receive a separate certificate of completion for each line of insurance, and for the statutes/regulations.

L/D/R indicates the fee for Life, Disability, and the Regulations class.

P/C/R indicates the fee for Property, Casualty, and the Regulations class.

When you have completed the required pre-licensing education classes, contact Promissor at 1-800 274-8949 to schedule your examination(s).

Fingerprinting is a required as part of the licensing application. It is recommended that you have your fingerprints taken at the Promissor test center if you will be testing at Lacey/Olympia, Tukwila/Seattle, Everett, Spokane or Vancouver. (See attached flyer)

NOTICE TO CANDIDATES

Promissor will offer electronic fingerprinting at the following assessment centers:

- Lacey/Olympia
- Tukwila/Seattle
- Spokane
- Vancouver
- Everett

The fingerprints will be printed on the FD-258 card required when applying for licensure. There are many advantages to electronic fingerprinting over wet-ink fingerprinting, as electronic fingerprinting is:

- Convenient as it is available in the Promissor Assessment Center immediately after candidates pass the exam
- An accurate, efficient, clean process with no wet ink or residue
- A way of producing distinct, high-quality prints
- In accordance with existing FBI and IAFIS requirements for live-scan imaging and therefore has a low rejection rate

Candidates who choose to be fingerprinted electronically must pay a \$15.00 fee at the assessment center. Payment for electronic fingerprinting must be in the form of a certified check, cashier's check or money order made payable to "Promissor". Cash, personal checks and credit cards will NOT be accepted at the assessment center. This fee must be paid separately from the examination fee; single payments that cover more than one fee or one candidate will not be accepted.
